EDUCATION

Fordham University, Gabelli School of Business

Bachelor of Science, Information Systems

Bronx, NY

Expected May 2027

GPA: 3.73/4.00 | Dean's List | Information Systems Scholar

Relevant Coursework: Machine Learning, Web Analytics, Database Systems, Programming with Python, Systems Analysis, E-Commerce

EXPERIENCE

Fordham University

Information Services Manager

Bronx, NY

January 2025 – Present

- Manage databases and tracking systems to analyze student engagement and support performance reporting
- Maintain Excel and Access files to synthesize operational data for departmental reporting
- Support staff and student organizations by troubleshooting, validating, and optimizing digital tools and workflows

FactSet

Product Development Intern

New York, NY

June 2026– August 2026

- Built an automated platform pulling data from Jira via daily API calls, replacing manual tracking of internal and external change notifications across 160+ global exchanges
- Integrated the platform with FactSet's internal announcement system and built reusable report templates, cutting the time to notify various departments of changes
- Designed and built the MVP framework for extending change notifications to external clients, laying the groundwork for future systems to integrate with the platform

Fordham Gabelli Gen-AI Incubator

AI Product Management Intern

Bronx, NY

May 2025 – September 2025

- Developed an industry dossier generator, company summary generator, and SMS platform
- Evaluated 10+ AI platforms to identify automation opportunities, integration strengths, and workflow tradeoffs to support analytics and tooling decisions
- Authored a Product Requirements Document and conducted research to define requirements, prioritize features, and support cross-functional implementation

Tri-Vin Wines and Spirits

Information Technology Intern

New Rochelle, NY

January 2025 – May 2025

- Installed and optimized IT systems across 8 departments, improving system performance and data accessibility
- Supported AI agent configuration to improve daily task coordination and overall workflow efficiency
- Worked directly with IT leadership on company-wide system setup, troubleshooting and daily technical support

LEADERSHIP AND EXTRACURRICULAR

Fordham University

Freshman Advising Mentor

Bronx, NY

April 2025 – Present

- Meet one-on-one with first year students to support academic success, networking, and personal development
- Track mentee progress and provide guidance on balancing academics, extracurriculars and campus life

Fordham Entrepreneurship Club

Marketing Team Member

Bronx, NY

September 2023 – Present

- Collaborate with student founders to plan and promote business pitch nights and speaker events
- Manage social media accounts and campus outreach initiatives to increase attendance at club events
